FINE PROGRESS IS BEING MADE

On the New Building for
Broadus Institute at
Philippi.

ENTERTAINED

Is Sunday School Class of the
Mt. Zion Baptist Church
By Minister.

PHILIPPI, Jan. 8.—Splendid progress has been made on the new Broadus Institute building at Philippi, and the magnificent new home of this popular college is now under roof. No unforeseen circumstances arising and the weather permitting, the main building and its two extensive wings will be completed by the first of the coming April.

The main building of the new college is 214 feet in length and 40 feet in width; the two wings are 49x50 feet, and all are four stories in height. The foundations are of the most durable stone, and the walls are of brick. The roof, just completed, is of tile, and the entire building is now taking on an aspect of architectural symmetry very pleasing to the eye. The building has been excellently plumbed, and has also been wired for electricity. An expensive electric light plant, to cover the usages of the entire buildings, will be placed. The cost of these buildings when completed, will be \$84,000. The contractors, the Moore Construction Company, of Charleston are rendering the most pleasing satisfaction in the work now under hand and bid fair to complete in a highly satisfactory manner a stupendous contract. Between thirty and forty men are now at work on the buildings. Much of the brick being used in the construction is manufactured at Philippi which also adds largely to the industrial boom that Broadus has brought to the city of Philippi.

Philippi is at this time enjoying a steady and lavish increase in business. It surely is one of the best towns in the state from a standpoint of regularity, and appearances now indicate that it will rapidly step to the front and take its place as the fourth of a quartette of towns hard to beat—Clarksburg, Fairmont, Granton and Philippi.

Edward B. Robinson was here Friday from Salem on business.

Attorney M. W. Ogden, of Fairmont, spent Friday here.

Attorney M. A. Samples was here Friday from Salem.

The Rev. J. Edward Pryor, pastor of Mt. Zion Baptist church, last evening entertained his Sunday school class at a grand reception. This class is composed principally of young women and without doubt some of the most promising young women to be found anywhere. Their faithfulness and earnest Christian zeal is well known. No weather is too bad, no difficulty too complex and no circumstance, except something beyond their control, ever keeps these young women from their church or Sabbath school class on Sabbath. They hold the banner for faithful attendance, and also the regular and quarterly financial banners. Rev. Pryor naturally is very proud of his class and Sabbath school generally, and can be found in the Sabbath school promptly at 2:30 o'clock every Sabbath. He feels that under the superintendency of the much beloved Prof. J. W. Robinson, any school would feel and respond to the touch of such a masterly hand.

Present at the reception were Miss Viola Harris, Miss Anna Griffin, Miss Elizabeth Short, Mrs. Emma White, Mrs. Ada C. L. Griffin, Miss Ira E. McCoy, Mrs. Nannie A. Howard, Mrs. Lucy Grant, Miss Bessie (Lee) Waddy, Miss Nellie Scott, Miss Eva Lewis, Miss Mollie Robinson, Miss Emma George, Miss Effie (Doe) Waddy, Miss Julia Scruggs, Mrs. Evaline Jones, Mrs. Lucy Wilkinson, Mrs. Fannie Quarles, Mrs. Queen Esther Ellis, James Ellis, and Edward Jones. The class was elaborately served by Mrs. Fannie Quarles, assisted by Mrs. Queen Esther Ellis, who received the guests. Every one had a most enjoyable time.

Attorney Charles G. Coffman has returned from Philadelphia, where he attended to legal business.

NO INAUGURAL

SPRINGFIELD, Ill., Jan. 8.—Owing to the fact that the legislature is in a deadlock on a canvass of the vote cast for state officers there will be no inaugural Monday next, which is the date when the new state officers would be inducted into office under ordinary conditions.

ACKNOWLEDGE IT

Clarksburg has to Bow to the Inevitable—Scores of Citizens Prove It.

After reading the public statement of representative citizens of Clarksburg given below, you must come to this conclusion: A remedy which cured years ago, which has kept kidneys in good health since, can be relied upon to perform the same work in other cases. Read this: Jacob Block, living on Third street, Clarksburg, W. Va., says: "The results that followed the use of Doan's Kidney Pills in my case were very satisfactory. I had kidney and bladder trouble for over four years and during that time suffered severely. There was a continual dull pain across the small of my back, so acute at times that I was hardly able to get around. I happened to read of Doan's Kidney Pills and thinking that they might help me, procured a box at Wells & Haymaker's drug store. It only required the contents of one box to cure the backache and bladder trouble and I am much better in every way." (From statement given November 24, 1902.)

A Unique Record.
On July 8, 1907, Mr. Block said: "After giving my statement in 1902, recommending Doan's Kidney Pills, I continued using the remedy a short time longer, and was benefited in every way. Since that time I have not had a sign of kidney trouble and think I can honestly say I was cured to stay cured. I am always glad to say a word in praise of this splendid kidney special."

Remember the name—Doan's—and take no other.
